A Few More Details:
Dr. David Thompson and Dr. Elaine Johannes will be presenting at Spring Meeting and helping us with tools for adult bullying and conflict situations. Learning these tools will help us all deal more confidently with these situations in the future.

Dr. David Thompson is a native Kansan with a deep love and appreciation for its people. He earned his M.S. and Ph.D. at Kansas State University in Family Life Education. His research has been in the area of divorce, successful stepfamily formation, and the effects of divorce on children. He has taught at Kansas State University in the Department of Applied Human Services for nearly 20 years, served as Director of the Conflict Resolution program, and teaches courses in "Interpersonal and Family Relationships" and "Interpersonal Conflict Resolution". He provides conflict resolution training on and off campus, serves as an approved Domestic Relations mediator for the State of Kansas, and is the founder and CEO of Conflict Consultants, LLC.

Dr. Elaine Johannes is the Kansas Health Foundation Distinguished Professor in Community Health for K-State Research and Extension and is a state Extension Specialist in the Department of Applied Human Sciences, College of Health and Human Sciences at Kansas State University. Dr. Johannes has degrees from Kansas State University in Psychology, Adult and Community Counseling, and Lifespan Human Development, and a graduate certificate in Gerontology.

Her focus is on working with networks, systems, and teams to address community health issues related to health disparities, unequal access to health care, and the social determinants and conditions impacting health. As an extension specialist, Johannes' applied research and practice focus is on resilience and well-being among adolescents, families and communities.

N-Zone Sportswear
On Wednesday morning check out the display of new products and ideas with Sales Representative Anndee Biltoft.

Lindsborg, Kansas
Wednesday afternoon we are dismissing in time for you to take the short 25 minute trip to Lindsborg (known as little Sweden in Kansas). Take in the public art, a museum, or shopping at one of their traditional shops, art galleries or the grocery store with a great selection of Swedish fare. Check out the Visit Lindsborg website to learn more. You may choose to dine there on Wednesday evening as well, if so indicate that on your registration.

K-STATE Research and Extension

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact **(insert name)** two weeks prior to the start of the event, (April 4) at **bhinshaw@ksu.edu**. Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request.

Kansas State University Agricultural Experiment Station and Cooperative Extension Service

K-State Research and Extension is an equal opportunity provider and employer.
