

Introduction to Produce Safety Workshop

Wednesday, January 17, 2018; 9:00AM-12:00PM

Held at: Central United Methodist Church, 5 S. Pennsylvania Street
Webb City, MO 64870

This course is a 3 hour abbreviated training session that will teach fruit and vegetable growers the core principles of produce safety, the new FDA Food Safety Modernization Act (FSMA) produce safety rule. Attendees will also receive free water testing after the workshop.

Who should attend:

Fruit and vegetable growers and others interested in learning about produce safety and the FSMA Produce Safety Rule. Note that attending this course will NOT meet the training requirements of the FSMA Produce Safety Rule

Topics to be covered:

- *Produce Safety Basics*
 - o *Worker Hygiene*
 - o *Soil Amendments*
 - o *Wildlife and animals*
 - o *Agricultural water*
 - o *Postharvest handling*
- *FSMA requirements and exemptions*
- *Water sampling and testing*

Registration: Register online at the URL below or return the printed registration (reverse side)
