Offices are located in Council Grove and Cottonwood Falls. The population of the district is about 9500. There are about 800 farm units with about 150,000 acres in crop land and 700,000 acres in pasture and rangeland.

TITLE: Extension Agent

PRIMARY AREA OF RESPONSIBILITY: Agriculture and Natural Resources

LOCATION: Offices in Council Grove and Cottonwood Falls. Primary location for this position is in Council Grove, KS

APPLICATION DATE: Applications will be accepted through December 14, 2018. Interviews will be conducted January 22, 2019.

Responsibilities:

Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. Agents are administratively responsible to the Director of K-State Research and Extension (represented by a designated administrator) and the local extension board.

1. Develop and implement comprehensive, pro-active educational programming related to agriculture and natural resources. Programming will include but is not limited to: agronomic and livestock production, agriculture economics, management and public policy, horticultural production and management, natural resources conservation and environmental stewardship.
2. Share leadership for the development, implementation, and evaluation of the 4-H youth development program for school-aged youth in cooperation with local residents and extension colleagues. Programming will include but is not limited to: supporting community clubs, out-of-school programs, school enrichment, volunteer management, and outreach to create new program opportunities with existing and new community partners.
3. Share responsibility for community vitality programming that helps communities become a better place to live, work, and play. This is accomplished by strengthening the social, civic, economic and technological capacity of communities through leadership development and civic engagement.
4. Programming will include these steps:
 - a) Identify local needs and emerging issues related to K-State Research and Extension's five Grand Challenges (water, community vitality, health, developing tomorrow's leaders and global food systems) by engaging with program development committees and other community organizations and professionals.
 - b) Design appropriate educational strategies to engage clientele. These strategies might include delivering educational programming in a community-based setting, coordinating events and activities that provide experiential learning opportunities, using innovative technologies, providing individual educational consultations and facilitating groups seeking similar educational outcomes. Some overnight travel and evening and weekend work will be required.
 - c) Develop and implement strategies to expand the reach of educational programming to under-served audiences and to make certain K-State Research and Extension is an equal opportunity provider of educational programming.
 - d) Collect and communicate evidence of educational program impact.
 - e) Develop specialized knowledge and skills by engaging as a member of a Program Focus Team.
5. Secure external funding such as grants, gifts and cost recovery to supplement local tax revenue to support and expand educational programming.
6. Serve as a member of the Flint Hills District team cooperating in the planning and delivery of district-wide programming and related events.
