POSITION DESCRIPTION AND RESPONSIBILITIES

Extension agents are professional educators, community connectors and innovators who serve as a link between Kansas State University and communities across Kansas. Agents are jointly responsible to the director of K-State Extension (represented by a designated administrator) and the local extension board.

- Lead the development, implementation, and evaluation of research-based educational programming related to family and consumer sciences. Programming may include but is not limited to: family life, nutrition, food safety, parenting, communication, financial management, leadership, and health.
- Share responsibility for community vitality programming that helps our communities become better places to live, work, and play by strengthening social, civic, economic, and technological capacity through leadership development and civic engagement.
- Successful extension programs require agents to:
 - Identify local needs and emerging issues related to K-State Research and Extension's five critical issues (water and natural resources; community vitality; health; developing tomorrow's leaders; and global food systems) by engaging with program development committees and other community organizations and professionals.
 - Design appropriate educational strategies to respond to emerging needs and engage clientele by aligning with the imperatives of the [K-State Next-Gen Strategic Plan](#). Strategies might include educational programming in a community-based setting; events and activities that provide experiential learning opportunities; use of innovative technologies; individual educational consultations; and group facilitation.
 - Collaborate with local partners to meet community and programmatic needs.
 - Recruit and manage volunteers to further the reach and impact of extension programming.
 - Develop and implement strategies to serve all community audiences.
 - Collect and communicate evidence of educational program impact.
 - Cultivate expertise in a subject matter competency area by engaging as a member of a Program Focus Team.
- Pursue internal and external funding to support educational programming.
- Serve as a member of the Butler County Extension team, cooperating in the planning and delivery of county-wide programming and related events.

MINIMUM QUALIFICATIONS

Education and experience:

- Bachelor's degree.
- At least 12 credit hours of academic coursework or six months of professional experience related directly to the primary programming responsibilities (e.g., health, nutrition, finance, family systems).
- Demonstrated academic and/or professional achievement (minimum cumulative GPA of 2.75 on a 4.0 scale or evidence of progressively responsible professional roles).
- Experience delivering information, training, or education to groups or individuals, either in person or through media.
- Leadership experience in supervisory or informal roles.

Licenses and certifications:

- Must have access to a personal vehicle and the ability to obtain/maintain a valid driver's license.

Additional expectations:

- This role will require the ability to work with people from various backgrounds and a commitment to supporting and enhancing K-State's initiative for access and opportunity.
- Extension agents work a flexible schedule which will include nights, weekends, and overnight travel.

Sponsorship eligibility:

- Candidates must be legally authorized to work in the U.S. on an ongoing basis without sponsorship.

PREFERRED QUALIFICATIONS
