From Rial Carver by email:

The Professional Development/Membership committee met this morning, and something came up that we need guidance on. We are updating the KACDEP flyer, which we plan to share with New Agents on Jan 31, and realized that the KACDEP bylaws (attached) indicate there should be 4 membership classes (Active, Life, Affiliate and Student), but we couldn't find any information on what the due amount for a student would be. A recommendation was made to set the Student Dues at \$25/year.

After consultation of the Constitution and Bylaws, "The Executive Committee shall have the authority to act for the Association to decide all matters requiring attention."

Nancy Daniels moved we set a \$25 Student Dues. The vote was unanimous to approve. We asked Rial to reflect \$25 Student Dues on the flyer.
