## 2017 Annual Report

### PRESIDENT'S REPORT

Greetings! When I was installed as your President last October I had a goal to do everything I could to make KEAFCS a strong voice with our State Administration and funding partners. I served as your representative by speaking on your behalf, but you did the work behind the scenes that made it successful. Some of you served as officers and members of the KEAFCS board. You all stepped up and provided leadership to the various committees within our organization. You participated in association activities and fundraising efforts and I applaud you for that.

With the help of many, an updated FCS Directory became a reality! I believe it is important to connect a name and face with our membership that spans the state. I have tried to make a personal connection to new FCS agents throughout the year and encourage membership in KEAFCS. I love the enthusiasm and energy I feel when I am in the same room as these new agents and hope that our entire membership has made you feel welcome and valued.

As I pack my bags for Omaha to participate in the NEAFCS annual session, I'm excited that we will have a delegation from Kansas that numbers 40+. This will be a fun week of networking and learning as well as celebrating the accomplishments of many of you through the awards and recognition part of our organization.

My hope for the coming year is that our organization will grow in numbers and in active participation of the membership. The announcement that our professional dues may be paid with approval from our board with non-appropriated funds reinforces the positive benefits that membership in KEAFCS can bring.

Thank you for the opportunity to serve as your president; it has been an honor and privilege to provide leadership during the past year. I want to conclude by sharing a quote from Steve Jobs: *If you are working on something exciting that you really care about, you don't have to be pushed. The vision pulls you.*

Donna Krug, KEAFCS President

## **PRESIDENT-ELECT- Ethel Schneweis**

It seems like just yesterday that I agreed to run for President Elect and now in just a short time I will be taking over for Donna as your 2018 President!

The past year has been a wonderful experience as I was able to attend the national JCEP Leadership Conference in Orlando, Florida and participated in meetings with our NEAFCS leadership team and FCS Agents from across the country. It definitely is an eye opener to hear how other states are doing with in the Extension Service after meeting with their Affiliate Presidents or President-elects.

I enjoyed serving as one of your representatives for the United Associations Conference planning committee. Our association is very active on this committee and several serve in various leadership roles for this conference. I hope you will plan to attend in March of 2018.

I am looking forward to going to our National Meeting in Omaha and serving as a voting delegate at the business meeting. I am excited for our fun evening during our State's Night Out with 43 agents, specialists or guests in attendance. That is over a majority of our membership!

Please consider attending the national conference in your professional development plans for 2018. NEAFCS 2018 Annual Session will be held September, 24-27 in San Antonio, TX. I hope we have as many able to join us there!

Thank you for the opportunity to serve the organization as President Elect and I am thrilled and excited to providing leadership to KEAFCS in the year ahead as President!

## **SECRETARY-Robin Eubank-Callis**

Beth Ireland, Greenwood County Agent, resigned as Secretary in June since she was moving to Oklahoma. She will be married soon and accepted a teaching position. KEAFCS members wish her all the best. Robin Eubank-Callis, Barber County, was appointed to complete the last few months of Beth's term.

## **PARLIAMENTARIAN-Kylie Ludwig**

All meetings have been conducted according to appropriate parliamentary procedure. A slate of officers was presented by the nominating committee and voted on electronically by eligible members prior to the Annual meeting.

## PAST PRESIDENT-Kylie Ludwig

Serving as past president this year brings my three year term to an end. I have enjoyed every minute of being able to serve you all in this role. This opportunity opened many doors for me. It helped me to be more aware of all our FCS agents across the state. It lead me to my first National meetings and helped me meet other FCS agents around the nation broadening my networking possibilities. I have started applying for state awards and this year even winning at the National level this year. This has been an amazing experience and even new friendships. I encourage any of you that are called to service to take the leap and go for it!

# Area Counselor Reports

## SOUTHWEST AREA-Jodi Drake

Southwest Area Agents postponed their December meeting until January when they met for an Agent Update in Garden City with Debra Bolton. Debra invited a representative from campus to help agents with the PEARS reporting system and also invited Dr. Bradford Wyles to update the agents on his department. The agents also had time for program sharing in the afternoon. The Spring Program Enhancement meeting was held in Leoti in May, hosted by Aimee Baker. Agents were treated to a tour of the local museum and a visit to retired agent, Belinda Oldham's quilt shop.

The Southwest Area is excited to welcome new agents Lora Horton and Faith Orth in Hamilton County, Mirna Bonilla in Seward County, and Amy Griffin in Finney County. Also, please join us in congratulating Kathy Bloom and Pam Muntz on their retirements.

## NORTHEAST AREA-Gina Aurand

The Northeast Area had a fitness focused Program Enhancement on December 16<sup>th</sup>. Ginny Barnard gave a presentation called "Don't Just Sit There" that talked about the importance of moving during the work day. We then heard from Dr. Donita Whitney-Bammerlin about the differences between generations and how to use those differences to work effectively together in the work place. After lunch, Megan Maransani gave us more tips on staying active during the work day and even did some chair yoga exercises with us. There was a time for some program sharing and then we adjourned to do some taste testing for the National Festival of Breads at the Wheat Innovation Center. Unfortunately, an ice storm moved into part of the Northeast Area that morning preventing some agents from attending.

This year has brought some change to the Northeast Area. We welcomed some new agents and even had a couple of current agents move to new counties. This year we welcomed Shandi Andres to the Flint Hills District, Tristen Cope to Marion County, Chelsi Myer joined Leavenworth County, Denise Dias moved to Johnson County, Renae Riedy came to Dickinson County and at the Area level we welcomed a former FCS agent to our new SNAP-Ed Specialist position. Tandy Rundus from Concordia began serving in this capacity in late August and has already become a valuable asset to those of us with SNAP-Ed grants.

## SOUTHEAST AREA-Becky Reid

Southeast Area agents gathered for program days in the Winter (December 13, 2016 hosted by Marais des Cygnes district) and Spring (May 11, 2017 in Parsons).

The SE Area coordinated the 2017 Friendship Night. The “College Throwback Party” included trivia, food and fun all served at Kramer Dining Center. Attendees could wear clothing from their decade or from their alma mater.

### **Staff changes:**

\*Dickinson County - transfer, Renae Riedy

\*Flint Hills District - new agent, Shandi Andres

\*Frontier District - transfer, Chelsea Richmond

Greenwood County - resignation - Beth Ireland; new agent - Jayne Whitson

\*Marion County - new agent - Tristen Cope

Sedgwick County - Denise Dias transferred

Sumner County- Elizabeth Gatz transitioned; new agent - Bernadette Love

\*These counties may not be SE but I listed them anyway!

## SOUTHWEST AREA-Anna Schremmer

The NW Region FCS agents have been very busy this year. At our December meeting we met with Dr. Wayne Moore, Paula Peters, Linda Lamb, and program assistants in Stockton with Anna Muir as our host. We shared different program ideas, set up several dates for meetings, updated the status of the hiring process for the Regional FCS Specialist and ended the day with a painting party.

We are continuing the “Nex-Tech---Extension Ed Talks”, and on May 5 we met in Hays at the Next-Tech studio with the Nex-Tech television crew, Megan Macy, and Brad Beckman to learn how to do a better job of preparing and presenting our TV show. From this meeting we have also decided to ask the rest of the NW Region Agents to tape programs so we can have more diversity in our show. Trainings and planning meetings are set for this fall to begin this process.

The NW Region was responsible for the Kansas State Fair Fashion Revue this year. “Roaring 20’s” was the theme. Thank you to all of the agents in the NW Region for helping to make this a very successful day.

Jullianne Shoup resigned December 1, 2016 to move back to Florida to be closer to her family. She took an extension job there. We welcome Stacy Brown to Twin Creeks – Sheridan County and the NW Region.

We are still in the process of searching for a NW Region FCS Specialist and hopefully will have one on board soon.

# Member Resources

## VICE PRESIDENT MEMBER RESOURCES-Jo Argabright

## MEMBER RESOURCES-Cindy Williams

We have all heard the phrase, "the winds of change" and so it is true of our organization. One of the major changes for member resources was that members were inducted into our organization after they had joined. This was not the case in previous years. Inducted at the February meeting include: Anne Pitts, Susan Fangman and Elizabeth Gatz. These members were presented with a small gift.

## RETIREMENT COMMITTEE-Pat Gerhardt

Letters have been sent to KEAFCS members who retired in the last year. Retirees were informed that KEAFCS will purchase a book or contribute \$50 to a non-profit of their choice. I am presently waiting to hear back from the 5 KEAFCS retirees. So far I have heard from 1.

## MEMBER BENEFIT COMMITTEE-Bernadette Trieb

Fun was had by all at the Call Hall Dairy Bar in February. We played the game of Bunco and enjoyed snacks and of course Ice Cream. Prizes were awarded for the highest score, lowest score and the most Buncos. Be watching for an announcement of the next member benefit event. If you have some ideas, please let a committee member know. We hope you can join us in the future!

In 2004 she began teaching Family and Consumer Sciences at the Dodge City High School where she continued teaching until her passing on August 19th, 2017. Over the years Shirley worked with various county agents in the area. She allowed Extension agents to use the food lab kitchens in the high school for area wide food preservation workshops. She also served on a health coalition with the Gray County agent and worked with the Ford County agent in providing ServeSafe trainings. She also worked closely with the Meade County agent on a variety of programs. Shirley was a past officer for the FCS teachers association and has previously served on the UAC Conference planning committee. Shirley will be missed by those who worked closely with her and as an association we recognize and appreciate her dedication to Family and Consumer Sciences and teaching our youth.

## KAFCE-Kathy Tharman

Kathy Tharman I attended the Spring KAFCE officers committee; it was good to put a face with a name! I talked briefly of KEAFCS, our members, officers and counselor duties. The 2017 State KAFCE conference was held in Salina Kansas, Central KS area hosted the event. This was a very enjoyable conference with wonderful speakers and breakout sessions. This group continues to remain strong in spite of decreasing membership. Dorene Reimer, KAFCE President, has spent her first two years traveling around the state of KS to all the area KAFCE District meetings. She is quite entertaining and enthusiastic! This group appreciates the FCS lessons we are able to provide for them!
