2019 ANNUAL REPORT

Respectfully submitted by Aimee Baker

PRESIDENT – Susan Farley

It has been an honor to represent you as KEAFCS President this year. The first goal I had was to finalize the revision of the KEAFCS Bylaws and Policies. It was our plan to eliminate the Constitution and refer to the NEAFCS Bylaws as our guide to clarify and simplify the KEAFCS Bylaws and Policies in order to avoid repetition and duplication. Thanks to the huge amount of leadership and time commitment of our Bylaws and Policy Committee, we were able to bring the proposed revisions to the membership. It was unanimously approved. WooHoo!!

Before a blink of an eye, it was time to submit our Kansas Affiliate award applications to the Regional Director. Thanks to the Vice President for Awards and Recognition and her teams in Professional Development, Program, and Communications and Public Relations, a great deal of “nudging” was done across the state to inspire our membership to share their fabulous programming by applying for awards. Thanks for your diligent efforts!! If you didn’t apply this year – start thinking about the work you’ve accomplished this year, take a look at the application forms, mark it on your calendars and SPARK IT in 2020!

To celebrate the NEAFCS 85th anniversary, KEAFCS chose to promote a free will donation to the association, take a group photo for web/social media (which was unsuccessful due to a camera malfunction), and collect Cat’s Cupboard Food Pantry donations during our February Update.

As President of our affiliate of NEAFCS, it was an incredible experience to represent Kansas at the Public Issues Leadership Development (PILD) Conference in Washington, D.C. this year. To kick-off the week with the Washington Twilight Tour was a perfect way to set the scene for the week ahead. Keynote Speaker, Paul Hill, was a true master at overcoming the electrical outage in our nation’s capitol as he discussed “Innovation is a process – one can’t apply the same model to new problems, new thinking.” I also appreciated Dr. Marshall Stewart’s remarks on building strong Extension messages that are clear, concise, and valid. Dr. Doug Steele was captivating as he challenged us to connect the dots throughout Extension, become people-centered, and emphasize being timely, relevant, trusted, and local. We can not continue to talk about the what – we have to share the WHY. As we visited the congressional legislative assistants on Capitol Hill, our team discussed the WHY Extension is important in Kansas as a convener and educator and how our programs positively impact the citizens and stakeholders of our state. Finally, to remember, a meaningful life is meaningful work.

With that said, I am so proud to have been your spokesperson this year. You do amazing work through your programming and leadership at the county, district, regional and state level to impact the quality of life for individuals, families and communities. It is such a privilege to SHOUT about it to our stakeholders on campus, as well as across the state! In our association, we have a wealth of knowledge and experience in our officers, area counselors, and operational committees. What is also so energizing and rewarding to observe is the talent, intelligence, dedication, and skills in technology of our newer educators across the state to lead us into the future of Extension and Family and Consumer Sciences. You are a burst of fun and spirit with an amazing amount of knowledge to share!! Keep it coming!!

Thank you for this incredible opportunity to serve as your president and to be your voice. All of you are SIMPLY THE BEST! Let's celebrate our successes!

Most Sincerely,

Susan Farley

KEAFCS President, 2018-19

PRESIDENT-ELECT – Erin Tynon

I have served two terms as the VP of Public Affairs and will be transitioning to Rhonda Gordon's President Elect position after her departure. I will be finishing out this term for her, as well as continuing in my Public Affairs role. I have been a member of KEAFCS since October 2013. This is my 7th year in Extension as the Pottawatomie County FCS Agent. I received my masters from Kansas State University in Family Life Education in 2009 and came to Extension in 2012. My husband, Jayson, is the Axtell Public Schools principal and we have two sons, Colson (5), and Cannon (21 months) and a baby girl due in November! I have enjoyed my role in the Public Affairs position communicating the impact of our FCS programming in Kansas.

All meetings have been conducted according to appropriate parliamentary procedure. A slate of officers was presented by the nominating committee and voted on electronically by eligible members prior to the Annual meeting.

PAST PRESIDENT – Ethel Schneweis

Serving as past president this year brings my three year term to an end. I have enjoyed being able to serve you in this role. I have enjoyed getting to interact with agents across the state and other association's leadership. Attending National association meetings, PILD and JCEP, as one of the Kansas officers allowed me to see things from a national level and helped me meet other agents around the nation, broadening my networking possibilities. This has been an amazing experience and I encourage any of you that are asked to serve to strongly consider it. It is well worth the experience!!

SOUTHWEST AREA COUNSELOR – Aimee Baker

It's been a great year for the Southwest Area. Agents met in May and had JoEllyn Argabright, NW Area Extension Specialist come and discuss changes happening through the state, and also discussed the search for a SW Area Extension Specialist. Our visit with her was very productive and she was able to help answer questions agents had about various things. Thank you to JoEllyn for stepping in during the time we were without a Specialist.

A lot of great things are happening in the Southwest Area. Agents are staying business with implementing programs, and being supportive of other agents as well.

Welcome to the SW Area: Extension Specialist, Rachael Clews, Melody Garcia, Kearny County, Jennifer Fitzpatrick, Pawnee County. Also congratulations to the Wild West District (Haskell, Stevens, & Seward) on becoming a district! We want to wish Debra Bolton well on her new journey in Manhattan!

SOUTHEAST AREA COUNSELOR – Rebecca Reid

Southeast Area agents partnered with the Northeast Area agents for the Winter Program day in Lawrence, Kansas.

The Southeast Area combined its winter program day with northeast colleagues, meeting at the Douglas County Extension Office. December 13 featured a "Health Puzzle Challenge" team building activity, program sharing and networking with FCS Specialists and State Program Associate Director.

Several southeast FCS units received 2019 Culture of Health grants. They include: Cherokee, Cowley, Greenwood, Lyon, Marais des Cygnes, Marion, and Wildcat.

The Southeast Area coordinated the 2019 Kansas State Fair 4-H Fashion Revue with piano and music inspired decorations with numerous agents and volunteers assisting.

KAFCE LIAISON – Kathy Tharman

As the liaison between our professional association and KAFCE, I have the privilege of interacting between our groups.

The Kansas Association for Family and Community Education (commonly referred to as FCE units) remains active and strong in Kansas. Their current membership is just over 800 in the state of Kansas. They remain one of the largest memberships in their National Affiliation.

The KAFCE President is Nancy Kernick from Chanute Kansas.

I attended the 2019 October State Conference in Fort Scott KS. I spoke to the KAFCE board and again at the general assemble. They had many questions for me later as I met them in the halls. They are looking for reassurance from agents that FCS education remains strong at the state/county level and that they are recognized and included locally by their county & district FCS agents.

They are an amazing group of volunteer educators! They are most all senior citizens but they have so much energy and spirit to keep their association and membership strong. They truly are the “grassroots” of Family and Consumer Sciences! I am amazed how many members are receiving awards of recognition for 50, 55, 65 and 70 years of service!!

We as Extension Agents need to continue to work side by side with these ladies as we both pursue they same goals of FCS education. When we speak of collaboration and finding strength and resources with other partners, I believe we must remember to keep this group of ladies as a team of our most valuable resources!
