Please make sure your mikes or phones are muted and your cameras are turned off.
Agenda

• COVID-19 Response Protocols Update
• 4-H Youth Development Program Update
• Kansas 4-H Foundation and Rock Springs Update
Why?

• The health of our participants, professionals, and volunteers is our number 1 priority
• We cannot assure that health through July 4
• We need to divert planning and preparations to alternative activities
COVID-19 Response Update

No face-to-face Extension programming activities or contact with our participants through July 4
COVID-19 Response Update

No face-to-face internal Extension meetings through July 4
COVID-19 Response Update

For K-State Research and Extension and Kansas Farm Management Associations offices that remain open during this time

• Strict social distancing
• Encourage face masks
What About Fairs?

• We do not control fairs
• We do control our participation in fairs
• May 11 will be a decision point
Through July 4, 2020

1) All in-person 4-H events, contests, and activities at the state, regional, district, county, and local level are to be postponed, cancelled or converted to a non-face-to-face experience

2) This applies to scheduled events, contests, and activities that are led by local 4-H volunteers as well.
