

## **Local Extension Unit Credit (Procurement) Card and Debit Card Policy**

Debit cards are not allowed for local Extension financial transactions.

### **Credit Cards:**

Extension Councils/Districts may use Credit Cards within usage guidelines set forth in this policy. These guidelines have been developed from best practices for credit card use developed by the Kansas Legislative Division of Post Audit. The purpose of the procurement card is to establish a more efficient, cost-effective method of purchasing and paying for transactions within established usage limits. Recommended card maximum spending limits are \$5,000 per transaction and \$10,000 monthly. The card can be used for in-store purchases as well as mail, phone or fax orders. The procurement card can be used to reduce purchase orders, payment vouchers, charge accounts and the use of personal funds reimbursed by payment vouchers.

1. Credit cards should only be obtained through Board authorization. Any local guidelines developed that are beyond the scope of this policy should be in writing and readily available to staff and the Board.
