To register go to:  https://www.ksre.k-state.edu/employee_resources/registrations/#transdiciplinary

Please Register by April 17th so that we can have an accurate meal count!!!

Note:  Extension Administration is supporting the cost of the training materials, meeting space, and lunch and breaks both days. It is up to the individual team member’s local unit to cover the cost of lodging, and any additional meals.

This training is for all members of the Transdisciplinary Teams of Local Foods, Rural Stress, and Succession Planning. As part of this training, we will be participating in the eXtension Virtual Impact Collaborative that is happening nationwide the same two days. eXtension will be presenting and supporting a process and tools that each team will use to plan for their own transdisciplinary issue.
