

Who are we?

Epsilon Sigma Phi is the Extension professionals' organization. Alpha Rho is the Kansas ESP Chapter. Epsilon Sigma Phi includes a cross-section of Extension professionals and addresses concerns of current and retired Extension faculty and staff. We seek to promote professionalism within the Extension community and within the individual Extension professional.

Benefits of Membership

- Provides scholarships and grants in support of professional development activities
- Chapter and National recognition programs
- Professional development and leadership opportunities for Extension professionals
- Involvement in public issues and activities
- Grant support for innovative educational programs

Join Epsilon Sigma Phi

Contact your area Epsilon Sigma Phi Council director or any state chapter officer to join.

This is your opportunity to make an investment in yourself and your career. Come join us!

Epsilon Sigma Phi is the only professional organization that represents all Extension professionals.

EPSILON SIGMA PHI

Your Key to
Professional Excellence

- Professional development
- Grants
- Scholarships
- Recognition
- Networking
- Leadership opportunities

Quotes from Kansas Members:

“It is the only professional organization where you associate with all Extension professionals, including retirees.”

“We would not have been able to carry out such an educational event had we not received an ESP grant.”

“Attending the National ESP conference allows me to develop professionally in areas outside my subject matter expertise.”

“I was able to connect with a different group of extension professionals and learn from them.”

Epsilon Sigma Phi (ESP) is dedicated to fostering standards of excellence in the Extension System and developing the Extension profession and professional.
