TO: Potential Epsilon Sigma Phi Members

From: Dr. Gregg Hadley
Associate Director for Extension

On behalf of the Membership Recruitment and Retention Committee, I would like to invite you to become a member of the Alpha Rho (Kansas) Chapter of Epsilon Sigma Phi, the Extension Professional's organization.

As a current member of the Alpha Rho Chapter, I believe that every extension professional should be a member of Epsilon Sigma Phi. If you believe yourself to be a professional, you are obligated to seek ways to continue your professional development and growth. As an extension professional, being a part of your professional society should be an automatic; being a part of Epsilon Sigma Phi should be your goal.

Epsilon Sigma Phi is the National Cooperative Extension Professional's Organization, dedicated to fostering standards of excellence in the Extension system, developing the extension profession and professional. Membership is open to faculty who work in local, area or campus offices. Alpha Rho chapter projects and activities include:

- Extension personnel recognition
- Grants for study
- Professional Development workshops/webinars
- Grants for innovative programming

The National Epsilon Sigma Phi organization includes more than 10,000 annual, associate, and life members, with 200 members in Kansas. Extension faculty with less than 3 years Extension experience by January 1, 2018 may join the Alpha Rho Chapter as an associate member for a yearly membership fee of \$20. Those with 3 years or more of Extension experience may become annual members for a yearly membership fee of \$70.

We hope you will accept our invitation to join Epsilon Sigma Phi and ask for your response by September 18. Join by sending a check payable to "ESP" for your membership fee to the following address: Extension Operations, 121 Umberger Hall, 1612 Claflin Road, Manhattan, KS 66506

New member initiation is on Tuesday evening, October 31, 2017 at 6:00 p.m. during the Annual Conference Epsilon Sigma Phi Recognition Program, held in the KSU Student Union Bluemont Room. We also invite you to attend the business meeting at 11:45 a.m. that same day. Register for one or both of these meetings when you register for Annual Conference. Please note there is a charge for food at these events.

More information about Epsilon Sigma Phi, Alpha Rho – Kansas Chapter is available in the attached brochure and at: www.ksre.k-state.edu/esp-alpharho/
