

October 2013

It was great to have such a large number of Alpha Rho members in Pittsburgh, PA for the Galaxy IV Conference. Dr. Daryl Buchholz delivered the Ruby Lecture and received the National Ruby Award.

Stacey Warner received the National ESP Visionary Leadership Award, North Central Region and Tranda Watts was recognized as a North Central Region Chapter Distinguished Service recipient.

The 2013 KSRE Annual Conference is October 22-24. I encourage all members to attend the ESP annual business meeting October 22, 11:45 a.m.-1:00 p.m. You have an option to order a box lunch on the KSRE Annual Conference registration or you may bring your own lunch to eat during the business meeting.

Again this year anyone who pays their 2014 ESP member dues before the end of the business meeting on October 22, 2013 will be entered in a drawing for one free membership to Epsilon Sigma Phi. Please send or give your payment to Jennifer Wilson, ESP Chapter Treasurer.

Please plan to attend the ESP silent auction, October 22. The auction will start at 5:00 p.m. preceding the ESP Recognition Reception in the KSU Ballroom. I invite you to provide an item to the ESP silent auction. All donations are appreciated and help support the professional development goals of the chapter. Donations may be left at the KSRE Annual Conference registration table prior to the auction. Contact Ann Domsch, adomsch@ksu.edu if you have additional questions.

I have grown as a professional and as a leader from serving as the Alpha Rho Chapter President. Thank you for allowing me this opportunity.
