

## Monthly President's Message

January 2017

### President's Update

Dear Alpha Rho ESP Members,

The new year is off to a fast start. The ESP Council held their bi-monthly zoom meeting and minutes are posted on the [Epsilon Sigma Phi Council Meeting site](#).

Please take a few minutes to read through them. Also the January issue of the Connections Newsletter recently came out. It can be found at: [www.espnational.org](http://www.espnational.org).

Thanks to all for your patience as we pilot test the new enrollment process. There are still a lot of kinks to work out, but we all know that is the reason things are pilot tested. Next year should run much smoother. Thanks are extended to Jennifer Wilson, Gayle Price and Michelle Gieber for working through the new system and tolerating all of our questions.

Before we know it, the 2018 national meeting will be here. The steering committee is working hard to get things lined out. If you haven't volunteered for a working committee please contact Stacey Warner or Jennifer Wilson. No contribution you can provide is too small. It will take all of us working together to create a fantastic conference.

Each year, ESP is a sponsor of the United Association Conference. Dates for the conference this year are March 2 & 3. Online registration has recently opened. Following is the registration link and schedule: to [American Association of Family & Consumer Sciences](#). Thank you Becky Reid and your office state for getting the link created and running.
