Kansas State Agricultural College
EXPERIMENT STATION
GENERAL DEPARTMENT

The Inspection Tax on Feeding-Stuffs.

1. The inspection tax applies to the following feeds:

“All cottonseed-meal, cotton-seed-cake, linseed oil-meal, linseed oil-cake, and feeding-stuff by-products of starch factories, glucose factories, cereal breakfast-food factories, breweries and distilleries, meat-packing establishments or slaughtering-houses, that are sold, offered for sale or held for sale within the State of Kansas.”

2. The rate of tax is:

“Twenty-five cents per ton, except as hereinafter stated.”

3. The tags shall be applied to

“Every sack, box, carton or other package of the feeding-stuffs named in this section that is sold, offered for sale, held for sale or in the possession of any one within the State of Kansas.”

4. There shall be attached

“At least one tag certifying that the tax aforesaid has been paid on one hundred pounds or a fraction thereof. If any package contains more than one hundred pounds it shall bear one tag for each one hundred pounds or fraction thereof, and in case the concentrated feeding-stuff is sold in bulk, one tag shall be delivered with each one hundred pounds or fraction thereof.”

5. Tags are purchased from the

“Director of the Experiment Station in lots of four hundred or multiples thereof, and he shall receive from the manufacturer or seller five dollars for each four hundred so furnished.”

Manhattan, Kan., April 28, 1909.

Remittance must accompany the order.

6. All tags shall be good until used, but

“Counterfeiting them or using them more than once is prohibited.”

7. The provisions of this act

“Shall not apply to goods sold by one manufacturer to another.”

8. Any person, firm or corporation making for sale a feeding-stuff by mixing two or more feeds is held to be a manufacturer.

9. All mixed feed containing one or more of the substances named in Section 5 of the Kansas Feeding-Stuffs Law is held to be taxable, and the provisions of the law as stated in Section 5 must be fully complied with. For example, all poultry foods, chick feeds, stock foods, condimental feeds, etc., etc., containing, as ingredients. oil-meal, meat meal, blood meal, or the by-product of cereal factories, or any substance named in Section 5, must bear one tag for each one hundred pounds of the mixture or fraction thereof, showing that the tax has been paid.

10. How to Order Tags. — Tags are furnished in two forms: (1) A gummed label for pasting on to cartons, boxes, etc.; (2) a tag for tying onto sacks. In ordering, specify the kind and number of each wanted. Address all correspondence to the Director Experiment Station, Manhattan, Kansas.

E D. H. WEBSTER,
Director.
