Shawnee County is located in northeast Kansas, approximately 60 miles west of Kansas City. It has a diversified urban, suburban and rural population of more than 177,000, the third most populated county in Kansas. There are five incorporated cities in Shawnee County, with Topeka, the largest, having a population of more than 127,000. Other cities include Auburn, Silver Lake, Rossville and Willard. Topeka is the state capital and county seat. Topeka is a multi-agent county with five agent positions. The 4-H Youth and Development program has approximately 400 members in volunteer-led community clubs and serves thousands more through school enrichment and after-school efforts.

**TITLE:** Extension Agent  
**PRIMARY AREA OF RESPONSIBILITY:** 4-H Youth Development  
**LOCATION:** Topeka, Kansas  
**APPLICATION DATE:** Applications will be accepted through April 14, 2021. Interviews will be conducted May 11, 2021.

**RESPONSIBILITIES:**

Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. Agents are administratively responsible to the Director of K-State Research and Extension (represented by a designated administrator) and the local extension board.

1. Lead the development, implementation, and evaluation of a comprehensive 4-H youth development program for school-aged youth in cooperation with local residents and extension colleagues. The primary focus of this position is youth development, adult volunteer development, youth education program development, expanding partnerships, and participation and membership growth. Programming will include but is not limited to: supporting community clubs, out-of-school programs, school enrichment, youth livestock projects, program promotion, volunteer management, and outreach to create new program opportunities with existing and new community partners. This agent will also be responsible for supervising a 4-H program assistant.

2. Programming will include these steps:  
   a) Identify local needs and emerging issues related to K-State Research and Extension’s five Grand Challenges (water, community vitality, health, developing tomorrow’s leaders and global food systems) by engaging with program development committees and other community organizations and professionals.  
   b) Design appropriate educational strategies to engage clientele. These strategies might include delivering educational programming in a community-based setting, coordinating events and activities that provide experiential learning opportunities, using innovative technologies, providing individual educational consultations and facilitating groups seeking similar educational outcomes. Some overnight travel and evening and weekend work will be required.  
   c) Develop and implement strategies to expand the reach of educational programming to under-served audiences and to make certain K-State Research and Extension is an equal opportunity provider of educational programming.
   d) Collect and communicate evidence of educational program impact.  
   e) Develop specialized knowledge and skills by engaging as a member of a Program Focus Team.

3. Secure external funding such as grants, gifts and cost recovery to supplement local tax revenue to support and expand educational programming.

4. Serve as a member of the Shawnee County Extension team cooperating in the planning and delivery of county-wide programming and related events.
