Chisholm Trail District
Crop Production Extension Agent

Lead dynamic horticulture and agronomy Extension programs in the Chisholm Trail Extension District.

**Apply online using our [application site](#). For more information visit [ksre.ksu.edu/jobs](http://ksre.ksu.edu/jobs).**

**POSITION DESCRIPTION AND RESPONSIBILITIES**

Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. Agents are administratively responsible to the Director of K-State Research and Extension (represented by a designated administrator) and the local extension board.

- Provide primary leadership for the development and implementation of research-based educational programs related to production, management and marketing issues involved in crop production. Programs will include but are not limited to: tillage, planting, and variety selection; irrigation; weed, disease, and pest control; soil testing and fertilization; harvesting and post-harvest handling.

- Provide leadership for the development of a district horticulture program which could include landscape and ornamental horticulture, fruit/vegetable production and community gardens.

- Share responsibility for the 4-H youth development programming related to crop production and horticulture.

- Programming will include these steps:
  - Identify local needs and emerging issues related to K-State Research and Extension’s five Grand Challenges (water, community vitality, health, developing tomorrow’s leaders and global food systems) by engaging with program development committees and other community organizations and professionals.
  - Design appropriate educational strategies to engage clientele. These strategies might include delivering educational programming in a community-based setting, coordinating events and activities that provide experiential learning opportunities, using innovative technologies, providing individual educational consultations and facilitating groups seeking similar educational outcomes. Some overnight travel and evening and weekend work will be required.
  - Develop and implement strategies to expand the reach of educational programming to under-served audiences and to make certain K-State Research and Extension is an equal opportunity provider of educational programming.
  - Collect and communicate evidence of educational program impact.
  - Develop specialized knowledge and skills by engaging as a member of the Crop Production Program Focus Team.
  - Secure external funding such as grants, gifts and cost recovery to supplement local tax revenue to support and expand educational programming.
  - Serve as a member of the Chisholm Trail Extension District team cooperating in the planning and delivery of district-wide programming and related events.

**TITLE:**
Extension Agent

**PRIMARY AREA OF RESPONSIBILITY:**
Crop Production

**APPLICATION DEADLINE:**
Wednesday, June 16, 2021
Interviews will be held on July 13, 2021
