POSITION DESCRIPTION AND RESPONSIBILITIES

Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. Agents are administratively responsible to the Director of K-State Research and Extension (represented by a designated administrator) and the local extension board.

- Lead the development, implementation, and evaluation of a comprehensive 4-H youth development program for school-aged youth in cooperation with local residents and extension colleagues. The primary focus of this position is youth development, adult volunteer development, youth education program development, expanding partnerships, and participation and membership growth. Programming will include but is not limited to: supporting community clubs, out-of-school programs, school enrichment, volunteer management, and outreach to create new program opportunities with existing and new community partners.

- Programming will include these steps:
  - Identify local needs and emerging issues related to K-State Research and Extension’s five Grand Challenges (water, community vitality, health, developing tomorrow’s leaders and global food systems) by engaging with program development committees and other community organizations and professionals.
  - Design appropriate educational strategies to engage clientele. These strategies might include delivering educational programming in a community-based setting, coordinating events and activities that provide experiential learning opportunities, using innovative technologies, providing individual educational consultations and facilitating groups seeking similar educational outcomes. Some overnight travel and evening and weekend work will be required.
  - Develop and implement strategies to expand the reach of educational programming to underserved audiences and to make certain K-State Research and Extension is an equal opportunity provider of educational programming.
  - Collect and communicate evidence of educational program impact.
  - Develop specialized knowledge and skills by engaging as a member of the Youth Development Program Focus Team.
  - Secure external funding such as grants, gifts and cost recovery to supplement local tax revenue to support and expand educational programming.
  - Serve as a member of the 21 Central District team cooperating in the planning and delivery of district-wide programming and related events.

The recently formed 21 Central Extension District is comprised of both Stafford and Edwards counties located in south central Kansas. The Stafford County office is located in the county seat of St. John and the Edwards County office is located in the county seat of Kinsley. There are a total of 11 small communities in both counties combined with a population of almost 7,000 people. The current district staff consists of three Extension Agents and one office professional. When 21 Central is fully staffed, it will have a total of four extension agents and two office professionals.
SALARY, BENEFITS, AND PROFESSIONAL DEVELOPMENT:
- Salary commensurate with professional experience and available funding as negotiated by the regional extension director, the local extension board and the applicant. The base starting salary is $43,000 for a BS degree with no professional experience and $47,000 for a MS degree with no professional experience.
- Extension agents are Kansas State University educators and have the Board of Regents retirement plan, health and life insurance and vacation and sick leave. There is a 30-day waiting period for health insurance. See a complete list of benefits.
- Reimbursement for travel related to achieving program objectives.
- New agents are provided approximately 15 days of new agent professional development on the K-State campus or online during their first six to nine months. These 15 days are spread out in four different weeks. In addition, new agents spend at least three weeks with a mentor agent during the first year.
- Tuition assistance is available to full-time employees and their spouse/dependents.
