## POSITION DESCRIPTION AND RESPONSIBILITIES

Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. Agents are administratively responsible to the Director of K-State Research and Extension (represented by a designated administrator) and the local extension board.

- Lead the development, implementation, and evaluation of a comprehensive 4-H youth development program for school-aged youth in cooperation with residents, community organizations, and extension colleagues. The primary focus of this position is youth development, specifically in the areas of school enrichment, STEAM (Science, Technology, Engineering, Agriculture, and Math) programming, and continued work to identify additional groups to serve. This position will also have shared oversight for community club and project management, support volunteer development, and will provide support for local, state, and national 4-H events.
- Provide supervision for one 4-H Program Assistant.
- Programming will include these steps:
  - Identify local needs and emerging issues related to K-State Research and Extension's five Grand Challenges (water, community vitality, health, developing tomorrow's leaders and global food systems) by engaging with program development committees and other community organizations and professionals.
  - Design appropriate educational strategies to engage clientele. These strategies might include delivering educational programming in a community-based setting, coordinating events and activities that provide experiential learning opportunities, using innovative technologies, providing individual educational consultations, and facilitating groups seeking similar educational outcomes. Some overnight travel and evening and weekend work will be required.
  - Develop and implement strategies to expand the reach of educational programming to under-served audiences and to make certain K-State Research and Extension is an equal opportunity provider of educational programming.
  - Collect and communicate evidence of educational program impact.
  - Develop specialized knowledge and skills by engaging as a member of the Youth Development Program Focus Team.
- Secure external funding such as grants, gifts, and cost recovery to supplement local tax revenue to support and expand educational programming.
- Serve as a member of the Reno County team cooperating in the planning and delivery of county-wide programming and related events.
