About This Role: The Extension Nutrition Program, within the College of Health & Human Sciences, is currently seeking a **full time Extension Nutrition Assistant**. The Extension Nutrition Assistant will provide nutrition education to low-income families with young children as part of the goals and objectives of the Expanded Food and Nutrition Education Program (EFNEP). This position provides nutrition education to enrolled families on a daily basis and tailors the content to suit the needs of each client. The position requires strong interpersonal skills in order to effectively recruit and retain program participants and develop collaborative partnerships with community agencies. The Extension Nutrition Assistant reports to the Southwest Regional Nutrition Instructor.

Duties include, but are not limited to:

- Administer the 24-hour food recall and food-physical activity questionnaire to newly enrolled families in order to assess dietary behavior and needs
- Plan appropriate learning experiences for enrolled EFNEP families based on approved curriculum and current guidance in order to improve food, nutrition and physical activity knowledge and behaviors
- Submit accurate and timely records and reports on a daily/weekly basis in order to track program activities and participant progress
- Make contact and maintain collaborative relationships with other agencies in order to recruit clients and expand the program
- Encourage low-income families to enroll in EFNEP through various recruiting opportunities such as demonstrations, group presentations, individual contacts and/or distribution of printed materials
- Participate in staff meetings, statewide trainings, annual conferences, workshops and seminars in order to improve nutrition knowledge, teaching methodology and record keeping skills

This position will serve multiple communities in Southwest Kansas, including the following counties: Barber, Clark, Comanche, Edwards, Finney, Ford, Grant, Gray, Greeley, Hamilton, Haskell, Hodgeman, Kearny, Kiowa, Meade, Morton, Pawnee, Pratt, Scott, Seward, Stafford, Stanton, Stevens, and Wichita. **Primary office location will be in Garden City, KS.** Regular travel to various sites within Southwest is required, along with **occasional overnight travel** for trainings (approximately 3-4 times per year).

Why Join Us: The Expanded Food and Nutrition Education Program is a nutrition education program provided at no cost to Kansas families and caregivers of young children with limited resources. EFNEP uses education to support participants’ efforts toward self-sufficiency, nutritional health and well-being. The U.S. Department of Agriculture (USDA) and National Institute of Food and Agriculture (NIFA) administers EFNEP through land-grant universities’ cooperative extension programs.
