

Position Announcement

Sunflower Extension District #6 is comprised of Cheyenne, Sherman, and Wallace Counties in northwest Kansas. The office location for this position is in St Francis, the county seat of Cheyenne County, and is located on Highways 36 and 27. St Francis has 1,360 households, 113 private business units, and 85 members in the 4-H youth program. The district has a combined population of 10,853. Cattle production is the major livestock industry with approximately 23,700 beef cows. Wheat, corn and sunflowers are the principal crops produced on 1,180 irrigated and non-irrigated farms in the district covering 1,612,000 acres. Three agents and a multi-county crops and soils specialist serve the Sunflower District.

TITLE: Extension Agent

PRIMARY AREA OF RESPONSIBILITY: Livestock Production

LOCATION: Offices located in St. Francis, Goodland, and Sharon Springs. Primary office location for this position is St. Francis, Kansas

APPLICATION DATE: Applications will be accepted through March 14, 2019. Interviews will be April 3, 2019.

Responsibilities:

Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. Agents are administratively responsible to the Director of K-State Research and Extension (represented by a designated administrator) and the local extension board.

1. Provide primary leadership for the development and implementation of research-based educational programs for livestock production, including but not limited to: breed and species selection and management, nutrition and health, livestock facilities, animal identification, marketing, best management practices and sustainable production techniques.
2. Share responsibility for the 4-H youth development programming related to livestock production.
3. Programming will include these steps:
 - a) Identify local needs and emerging issues related to K-State Research and Extension's five Grand Challenges (water, community vitality, health, developing tomorrow's leaders and global food systems) by engaging with program development committees and other community organizations and professionals.
 - b) Design appropriate educational strategies to engage clientele. These strategies might include delivering educational programming in a community-based setting, coordinating events and activities that provide experiential learning opportunities, using innovative technologies, providing individual educational consultations and facilitating groups seeking similar educational outcomes. Some overnight travel and evening and weekend work will be required.
 - c) Develop and implement strategies to expand the reach of educational programming to under-served audiences and to make certain K-State Research and Extension is an equal opportunity provider of educational programming.
 - d) Collect and communicate evidence of educational program impact.
 - e) Develop specialized knowledge and skills by engaging as a member of a Program Focus Team.
4. Secure external funding such as grants, gifts and cost recovery to supplement local tax revenue to support and expand educational programming.
5. Serve as a member of the Sunflower District team cooperating in the planning and delivery of district-wide programming and related events.
