

Wyandotte County is the fourth most populated county in Kansas. Located in the Greater Kansas City Metropolitan Area, it has a rich history. Because it is situated at the confluence of the Missouri and Kansas rivers, it was the launching point for travelers on the Santa Fe, Oregon, and California trails. Today "The Dotte" boasts an ethnically diversified urban, suburban and rural population of nearly 165,324. Its Unified Government consists of Kansas City, Bonner Springs, Edwardsville and Piper. It is home to several institutions of higher learning and five school districts, with approximately 28% of the population school-aged youth. There are six extension agent positions in Wyandotte County and the county 4-H program serves 151 youth in the eight community clubs. An additional 5078 youth are served through school enrichment, after-school and day camp programs.

TITLE: Extension Agent

PRIMARY AREA OF RESPONSIBILITY: 4-H Youth Development

LOCATION: Wyandotte Co; Kansas City, Kansas

APPLICATION DATE: Applications will be accepted through September 23, 2019. Interviews will be conducted October 29, 2019.

1. Lead the development, implementation, and evaluation of a comprehensive 4-H youth development program for school-aged youth in cooperation with local residents and extension colleagues. Supervises 4-H Program Assistant, Volunteer Coordinator and grant-funded staff, as available. The primary focus of this position is youth development, adult volunteer development, youth education program development, expanding partnerships, and participation and membership growth. Programming will include, but is not limited to: supporting community clubs, out-of-school programs, school enrichment, volunteer management, and outreach to create new program opportunities with existing and new community partners. Programming will strengthen social, civic, economic, and technological capacity of communities through youth leadership development and civic engagement.
2. Programming will include these steps:
 - a) Identify local needs and emerging issues related to K-State Research and Extension's five Grand Challenges (water, community vitality, health, developing tomorrow's leaders and global food systems) by engaging with program development committees and other community organizations and professionals.
 - b) Design appropriate educational strategies to engage clientele. These strategies might include delivering educational programming in a community-based setting, coordinating events and activities that provide experiential learning opportunities, using innovative technologies, providing individual educational consultations and facilitating groups seeking similar educational outcomes. Some overnight travel and evening and weekend work will be required.
 - c) Develop and implement strategies to expand the reach of educational programming to under-served audiences and to make certain K-State Research and Extension is an equal opportunity provider of educational programming.
 - d) Collect and communicate evidence of educational program impact.
 - e) Develop specialized knowledge and skills by engaging as a member of the Youth Development Program Focus Team.
3. Secure external funding such as grants, gifts and cost recovery to supplement local tax revenue to support and expand educational programming.
4. Serve as a member of the Wyandotte County team cooperating in the planning and delivery of county-wide programming and related events.
