Position Announcement

Post Rock District is comprised of Jewell, Lincoln, Mitchell, Osborne, and Smith counties in north-central Kansas. Six agents serve this district, which has a combined population of 16,997.

TITLE: District Director

PRIMARY AREA OF RESPONSIBILITY: District Director and 4-H Youth Development

LOCATION: Offices in Beloit, Lincoln, Mankato, Osborne, and Smith Center, KS. Primary office location for this position will be negotiable.

APPLICATION DATE: Applications will be accepted through November 13, 2019. Interviews will be conducted December 11, 2019.

RESPONSIBILITIES:

Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. Agents are administratively responsible to the Director of K-State Research and Extension (represented by a designated administrator) and the local extension board.

1. The Post Rock District Director will serve as the administrative leader of the district’s extension programming giving leadership to budget and fiscal operations, personnel management of local staff, and overall program development and delivery.

2. Lead the development, implementation, and evaluation of a comprehensive 4-H youth development program for school-aged youth in cooperation with local residents and extension colleagues. The primary focuses of this position are youth development, adult volunteer development, youth education program development, expanding partnerships, and participation and membership growth. Programming will include but is not limited to: supporting community clubs, out-of-school programs, school enrichment, volunteer management, and outreach to create new program opportunities with existing and new community partners.

3. Share responsibility for community vitality programming that helps our communities become better places to live, work, and play. Programming will strengthen social, civic, economic, and technological capacity of communities through leadership development and civic engagement.

4. Programming will include these steps:
   a) Identify local needs and emerging issues related to K-State Research and Extension’s five Grand Challenges (water, community vitality, health, developing tomorrow’s leaders and global food systems) by engaging with program development committees and other community organizations and professionals.

   b) Design appropriate educational strategies to engage clientele. These strategies might include delivering educational programming in a community-based setting, coordinating events and activities that provide experiential learning opportunities, using innovative technologies, providing individual educational consultations and facilitating groups seeking similar educational outcomes. Some overnight travel and evening and weekend work will be required.

   c) Develop and implement strategies to expand the reach of educational programming to under-served audiences and to make certain K-State Research and Extension is an equal opportunity provider of educational programming.

   d) Collect and communicate evidence of educational program impact.

   e) Develop specialized knowledge and skills by engaging as a member of the Youth Development Program Focus Team.
5. Secure external funding such as grants, gifts and cost recovery to supplement local tax revenue to support and expand educational programming.

6. Serve as a member of the Post Rock Extension District team cooperating in the planning and delivery of district-wide programming and related events.
