TITLE:  Extension Agent  
PRIMARY AREA OF RESPONSIBILITY:  4-H Youth Development  
LOCATION:  Winfield, Kansas  
APPLICATION DATE:  Applications will be accepted through March 09, 2020. Interviews will be conducted April 02, 2020.  

RESPONSIBILITIES:  
Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. Agents are administratively responsible to the Director of K-State Research and Extension (represented by a designated administrator) and the local extension board.  

1. Lead the development, implementation, and evaluation of a comprehensive 4-H youth development program for school-aged youth in cooperation with local residents and extension colleagues. The primary focus of this position is youth development, adult volunteer development, youth education program development, expanding partnerships, and participation and membership growth. Programming will include but is not limited to: supporting community clubs, out-of-school programs, school enrichment, volunteer management, and outreach to create new program opportunities with existing and new community partners.  

2. Share responsibility for community vitality programming that helps our communities become better places to live, work, and play. Programming will strengthen social, civic, economic, and technological capacity of communities through leadership development and civic engagement.  

3. Programming will include these steps:  
   a) Identify local needs and emerging issues related to K-State Research and Extension’s five Grand Challenges (water, community vitality, health, developing tomorrow’s leaders and global food systems) by engaging with program development committees and other community organizations and professionals.  
   b) Design appropriate educational strategies to engage clientele. These strategies might include delivering educational programming in a community-based setting, coordinating events and activities that provide experiential learning opportunities, using innovative technologies, providing individual educational consultations and facilitating groups seeking similar educational outcomes. Some overnight travel and evening and weekend work will be required.  
   c) Develop and implement strategies to expand the reach of educational programming to under-served audiences and to make certain K-State Research and Extension is an equal opportunity provider of educational programming.  
   d) Collect and communicate evidence of educational program impact.  
   e) Develop specialized knowledge and skills by engaging as a member of a Program Focus Team.  

4. Secure external funding such as grants, gifts and cost recovery to supplement local tax revenue to support and expand educational programming.
5. May periodically be assigned to serve as the local unit director providing administrative oversight for the fiscal operations, coordination of personnel, development, delivery and reporting of program impact and other administrative functions assigned by the director’s representative and the extension board.

6. Serve as a member of the Cowley County team cooperating in the planning and delivery of county-wide programming and related events.
