Midway Extension District is located in Central Kansas along the Smoky Hill River in the Smoky Hills. The population of the district is roughly 13,325. Midway District has two lakes that provide recreational opportunities for local residents. The district has five school districts and two medical centers. The district staff is housed in offices in Ellsworth and Russell and includes four agents, one program assistant and two office professionals.

**TITLE:** Extension Agent

**PRIMARY AREA OF RESPONSIBILITY:** 4-H Youth Development

**LOCATION:** Offices located in Ellsworth and Russell. Primary office location for this position is in Russell Kansas.

**APPLICATION DATE:** Applications will be accepted through May 12, 2019. Interviews will be conducted June 6, 2019.

**Responsibilities:**

Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. Agents are administratively responsible to the Director of K-State Research and Extension (represented by a designated administrator) and the local extension board.

1. Lead the development, implementation, and evaluation of a comprehensive 4-H youth development program for school-aged youth in cooperation with local residents and extension colleagues. The primary focus of this position is youth development, adult volunteer development, youth education program development, expanding partnerships, and participation and membership growth. Programming will include but is not limited to: supporting community clubs, out-of-school programs, school enrichment, volunteer management, and outreach to create new program opportunities with existing and new community partners. This position will also supervise the 4-H Program Assistant.
2. Share responsibility for community vitality programming that helps our communities become better places to live, work, and play. Programming will strengthen social, civic, economic, and technological capacity of communities through leadership development and civic engagement.
3. Programming will include these steps:
  - a) Identify local needs and emerging issues related to K-State Research and Extension's five Grand Challenges (water, community vitality, health, developing tomorrow's leaders and global food systems) by engaging with program development committees and other community organizations and professionals.
  - b) Design appropriate educational strategies to engage clientele. These strategies might include delivering educational programming in a community-based setting, coordinating events and activities that provide experiential learning opportunities, using innovative technologies, providing individual educational consultations and facilitating groups seeking similar educational outcomes. Some overnight travel and evening and weekend work will be required.
  - c) Develop and implement strategies to expand the reach of educational programming to under-served audiences and to make certain K-State Research and Extension is an equal opportunity provider of educational programming.
  - d) Collect and communicate evidence of educational program impact.
  - e) Develop specialized knowledge and skills by engaging as a member of the Youth Development Program Focus Team.
4. Secure external funding such as grants, gifts and cost recovery to supplement local tax revenue to support and expand educational programming.
5. Serve as a member of the Midway district team cooperating in the planning and delivery of district-wide programming and related events.
