

About This Role:

As the Community Forestry Coordinator of the Kansas Forest Service (KFS) at Kansas State University, you will provide leadership and coordination for the Community Forestry Program staff in establishing community forestry programs, conducting assessments and inventories, conducting statewide training, and recognizing communities through the Tree City USA program.

Your responsibilities will be to:

- Guide direction of the Community Forestry Program
- Plan, staff, evaluate, and direct work of District Community Foresters
- Promote the Community Forestry Program and KFS through outreach and education
- Represent the Community Forestry Program with federal, state, and local agencies, organizations, and associations

This is a full-time, regular position with a preferred location of Manhattan, KS or NE Kansas dependent on mutual agreement with the State Forester.

Why Join Us:

The Kansas Forest Service is the 5th oldest state forestry agency in the country established in 1887, and is housed as an independent agency within K-State Research and Extension. The agency employs 35 full-time employees, and 40+ temporary and student positions, housed in Manhattan, KS and offices throughout the state. Our programs include Rural Forestry, Community Forestry, Fire Management, Conservation Tree Planting, Forest Health, and Marketing and Utilization.

KFS works with a diverse group of partners at local, state, and federal levels to help serve the State of Kansas in pursuit of our mission: "Care of Natural Resources and Service to People Through Forestry". We pride ourselves on the multi-faceted services we provide the many stakeholders of Kansas. KFS contributes an estimated combined economic impact of \$34 million annually.

Kansas State University offers a comprehensive benefits package that includes health insurance, life insurance, retirement plans, paid time off – vacation, sick, and holidays. To see what benefits are available, please visit: <https://www.k-state.edu/hcs/benefits>

We Support Diversity and Inclusion:

Kansas State University embraces diversity and inclusion. The university actively seeks individuals who foster a collegial environment and cooperative interactions with coworkers, students, and others. The University is dedicated to promoting the [Principles of Community](#).

What You'll Need to Succeed:

Minimum Qualifications:

- Bachelor's degree in forestry, natural resources, or closely-related degree.
- 3-5 years of administration and leadership responsibilities.
- Effective written and oral communication, interpersonal, and organizational skills.

Preferred Qualifications:

- Master's degree in forestry, natural resources, or closely-related degree.
- 6-8 years of administration and leadership responsibilities.
- Excellent written and oral communication, interpersonal, and organizational skills.

Other Requirements:

- *Applicants must be currently authorized to work in the United States at the time of employment*
- KAA/ISA Certified Arborist (or willing/able to obtain within one (1) year of hire)

How to Apply:

Please submit the following documents:

1. Cover letter
2. Resume
3. Academic transcripts
4. Professional references

Screening of Applications Begins:

Immediately and continues until position is filled. For best consideration, apply by August 10, 2022.

Anticipated Hiring Salary Range:

\$65,000 - \$75,000

Equal Employment Opportunity:

Kansas State University is an Equal Opportunity Employer. All applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender, gender identity, age, national origin, disability or status as a protected veteran.

Background Screening Statement:
