

About This Role: Kansas Forest Service is currently hiring four full-time Agricultural Technician II positions to be a part of a Tech Team. The Tech Team will implement forestry-related tasks throughout the State of Kansas and will work under the direct supervision of the Tech Team Lead. Additional assistance and oversight will be provided by KFS field staff (district foresters, district fire management officers, and the forest health coordinator) to collect urban tree inventories, identify and monitor forest health threats, remove invasive species, measure and mark timber stands enrolled in conservation programs, wildland fire management, wildlife habitat improvement, collect viable seed, and assist with KFS grounds and Arboretum maintenance tasks. Training, guidance, and equipment will be provided for each of these tasks. The Tech Team will work a schedule of Monday-Thursday, 7:30am – 6:30pm each week.

This is a great opportunity to explore the many programs and services offered by the Kansas Forest Service and work across the State of Kansas.
