The Dane G. Hansen Foundation & K-State Research and Extension internship gives college students the opportunity to link classroom learning with a pre-professional work experience. The intern will work to develop educational displays for the Kansas Post Rock Limestone Coalition.

**TITLE:** Kansas Post Rock Limestone Coalition Education Internship

**LOCATION:** Hays, Kansas

**PROJECT DESCRIPTION:** The intern will work with museum professionals at the Sternberg Museum to design and build a traveling exhibit that has both 2D & 3D aspects which educate the public about Kansas post rock limestone. The intern will also do data entry of post rock limestone sites into the Kansas Post Rock Limestone Coalition (KPRLC) data base and the Kansas State Historical Society state-wide data base.

**APPLICATION DEADLINE:** Friday, January 31, 2020 or until the position is filled

**EMPLOYMENT:** May 26, 2020 thru August 1, 2020 or as negotiated with K-State Research and Extension and the Kansas Post Rock Limestone Coalition

**RESPONSIBILITIES:**
- Design and build a traveling exhibit which educates the public about Kansas post rock limestone
- Collect information on the location of limestone structures
- Data entry of post rock limestone sites
- Work with organizations, businesses and individuals to increase awareness of the Kansas Post Rock Limestone Coalition
- Create a social media platform and train KPRLC board members how to maintain this form of marketing
- Community service or volunteering with a community organization is highly encouraged
- Complete other responsibilities as assigned by mentoring supervisors

This position may require attendance at evening meetings, access to a personal vehicle, and a valid driver’s license.

**QUALIFICATIONS**
- Completion of at least six university semesters at any college or university.
- Students enrolled in history, geography, geology or education are encouraged to apply.
- Knowledge of/or interest in historic preservation is a plus.
- Ability to communicate effectively, both orally and in writing, with individuals, groups, and through mass media and social media.
- Self-motivation and ability to work with minimum supervision.
- Able to work on multiple projects.
- Experience working with individuals, groups, and co-workers to accomplish individual and/or group goals, as evidenced by previous leadership roles.
- Students from NW Kansas are preferred.

**SALARY AND BENEFITS**
$20.00 per hour. 40 hours per week. Maximum 400 hours

**HOUSING**
The Decatur GROWS Foundation will secure and cover the cost of housing.

APPLICATION PROCEDURE
Submit cover letter, resume, transcripts and list of references as one document to: nsigle@ksu.edu.
