

Summary of Kansas USDA FSA Farm Credit Programs Delinquency Report as of January 31, 2016

Total Active FSA Borrowers—3,207

Total Active FSA Borrowers Delinquent—258

Total Percent Delinquent of Active FSA Borrowers—8.0%

(Note: The numbers on the above map are placed in the county where the FSA Farm Loan Program Office is located that manages a regional service area. The regional service areas are outlined with a thick line. There are two figures shown: 1) the number of “active” delinquent borrowers located in a regional service area; and 2) in parenthesis, the percentage of active borrowers who are delinquent in the regional service area.)
